Tour of the Sandhills Game Lands

A close-up look at local longleaf restoration

Sunday, October 8, 2017 | 2pm–5pm*

The Game Lands Longleaf pine forest has examples of spectacular old growth trees, natural regeneration, & native wire grass groundcover. All the result of many years of prescribed fire!

- Tour led by forest biologists who were directly involved with the restoration of this public amenity
- Hands-on look at restoration tools, ranging from mechanical means to prescribed fire
- Learn about the transition to growing season or “lightning season” prescribed burning
